### **About:**

HK's Danny Boy had his final inspection with the NASPR in the Fall of 2014.

Danny has an exemplary disposition, with that famous "In your Pocket" Connemara personality. He has been easy to train & show, and produces offspring of the same quality.

Danny's pedigree includes famous names like: MGRM Brigadoon (2003 Connemara of the year.), Custushas Cashel Rock (more commonly known as "Rocky", Breyer's 1990 model "Champion Connemara Stallion"), going back to: Texas Hope, Hideaway's Erin Tooreen on the top side. And on the bottom side, Mirah Samson & Westside Fred, both top jumper sires in Europe. Breeding Mares of any size with great results. Passing his attributes on to his foals, resulting in all 1st Premium offspring inspected to date, (NASPR) with 4 foals scoring First Premium Premier.  
*With Scores like these....why look any further?*

### **Breeding methods:**

Artificial insemination

### **Breeding goals:**

Hunter
