Application for Sportpony Registration

All information on this application for registration must be **typed** or **printed legibly**. A \$50 fee will be charged for errors due to illegibility. Return this completed application with pictures and all appropriate fees in US dollars to the above address. **Incomplete applications will be returned.** The NASPR will contact owners whose application forms require individual attention. If not contacted, owners may assume their paperwork is being processed and their DNA kit(s) will be arriving shortly. Please allow sixty (60) days for processing after all requirements are completed.

Section 1: Name Requested (for colts, names must start with the first letter of the sire's name)

Name of your choice must have no more than 18 characters including spaces & punctuation. This example has 17 characters: Charlie's CoolOne

First Choice:

Section 6: DNA Testing, Parentage Verification, and Proof of Pedigree

All ponies regardless of age or sex must be DNA tested to complete registration. In order for your pony to have a complete pedigree on the registration certificate, DNA must also be made available to the NASPR on both the sire and the dam for parentage verification and proof of pedigree. It is the owner's responsibility to inform the NASPR of which registry might have these DNA case numbers or purchase additional DNA kits for the sire and dam. For fees of submitted DNA files see appropriate listing in current fee schedule.

Does the sire have DNA on file? YES / NO If YES, list the registry from which the DNA marker report can be obtained. _____

Does the dam have DNA on file? YES / NO If YES, list the registry from which the DNA marker report can be obtained. _____
